

KSDC Cell Phone Policy and Permission Form

We at Kenwood understand that some parents/guardians want their children to have their cell phones with them while they are at camp or on a field trip and we respect that wish. However, there are some guidelines that need to be followed.

The campers are welcome to use their phones/devices to contact their parents, use during downtime at camp/on the bus, take pictures on trips, and any counselor approved activities.

The first time a phone is discovered being used for any inappropriate reason/use or found out when directed to be put away it will be confiscated for the day and returned to the parent/guardian at time of pickup. Appropriate use and time allowed on phones is at the discretion of the camp director and counselors in the group. Camper initials_____

The second time, it will be confiscated and returned as well, but the camper will not be able to bring a phone or device to camp for the remainder of the summer. Camper initials_____
